

We have awarded final placings in our May Madness AFA Qualifie in order to award trophies.

We have used AFA National Rules of placing.

Teams will receive berths as listed on the individual bracket,

however, we completed the brackets based AFA Rules In order to award the Trophies.

Rules used: If two teams tied in Bracket, Pool Play Results were used to determine the game winner.

If the two teams did not play Head to Head, Fewest Total Runs Allowed (in pool play) were used to determine the winner.

We will contact the Head Coach of the teams to pick up their trophies.
